

FORMATO SMS	CÓDIGO	Dimensões (mm)			
		L	T	S	
 <p>The diagram shows a cross-section of a SMS format. It is a trapezoidal shape with a flat bottom of length L and a top edge that is slightly wider than the bottom. The height of the main body is T. The top edge is angled upwards from the vertical sides at 10°. The top edge itself is horizontal and has a length S. The angle between the top edge and the vertical side is 90°. A dashed line indicates the original shape before the top edge was angled.</p>	F	10	10.0	12.0	4.0
